### Description

Here's your opportunity to own a Straight Egyptian Arabian with a lot of training already done! Hairan has been with his current trainer, Andrea Fraire in Grass Valley, for two years. He's been exposed to a wide variety of situations. He's been ridden Western, English and bitless, collected and loose rein, is willing to jump, has basic Dressage moves, such as Side Pass and 360 circles, exposure to working with cows with a good stop, trail riding, water crossing, crossing over logs and ground poles. He loads into a trailer without issue, is good for the farrier and vet, and loves to be loved. He's looking for an owner who wants a long relationship with a horse, one who is loyal and wants to learn what you want to teach him. He's social with other horses and likes to play. He is NOT a beginning rider's horse. The best match for him is someone who has had an Arabian, understands them and has equestrian experience and knows how to handle a young horse. Although young, he is well behaved, and looks to his human to be the lead. He's a great prospect for multiple disciplines.
